Santa's elves visit!

There was fantastic excitement this week when Santa's elves paid a surprise visit to Scartaglen N.S. A bell was heard ringing in the corridor. When the children in Junior and Senior Infants looked outside the door they found magic dust on the floor and a special delivery from Mrs. Claus. There was a letter from Santa along with some homemade gingerbread men and candy canes. When the children checked their postbox all of their letters to Santa were gone!!

Christmas Magazine & Parent's Council Disco

Every child in the school received a Scartaglen National School bi-annual Christmas Magazine this week. The magazine contains lots of stories, jokes, poetry, activities and pictures created by the pupils of the school. They were all very excited to see their work featured in the magazine. Thanks to everyone who helped out producing the magazine!

Scartaglen N.S. Parent's Council will be holding a fundraising Christmas Disco in the Heritage Centre from 6.30pm to 8.00pm on Wednesday night. Admission is €3 per child/ €5 per family. Thank you to all who supported the Christmas raffle. There are 28 fantastic prizes on offer and it is sure to be a jolly night filled with festive fun!
